Dr. Arnab Banerjee

Imm. Past Secretary
Dr. Mainak Mukherjee

Invitation

Dear All,

It is time again for the Annual Conferences of the West Bengal State Branches of the Indian Psychiatric Society and Indian Association of Private Psychiatry. It has been planned that the meetings will be held jointly, under the auspices of the **Psychiatric Conference 2014**, on the 20th & the 21st of September, this year; and it is indeed an honour to invite you to the grace the occasion by your presence.

The theme of the scientific sessions is **Challenges in Caring for the Mentally Ill**. The state conference is an excellent platform for young psychiatrists to hone their presentation skills and hence the faculty includes a number of mental health professionals who are speaking for the first time in such a forum. There will be a separate award paper session for post-graduate trainees and recent pass-outs in Psychiatry. Well-known and senior psychiatrists from the state and the country will also be present to share their expertise and experiences.

The venue is **The Lalit Great Eastern**, at Kolkata, a heritage site built in 1841 as Auckland Hotel, and which was crowned as a 'Jewel of the East' and the 'Best Hotel East of the Suez.' So this Conference will also be an opportunity to experience the ambience of the newly renovated architectural marvel that has been a favourite haunt of the royalty and celebrities from around the world.

We sincerely hope that you will enjoy the scientific, cultural as well as the culinary feast that lay in store at the Psychiatric Conference 2014; though it is only your participation and attendance that will make it successful.

With warm greetings and regards from the Psychiatric Conference 2014 Secretariat !

Dr. Rupendra Kumar Brahma
Organizing Chairperson

Dr. Neelanjana Paul
Organizing Secretary
